THE TRUE BLUE CLASS DEPICTS THE EASTER STORY, directed by Sara Broughall, with a glorious background painted by Margaret Murdough.

STARTING AND STOPPING

Seven short years have elapsed since first we came among you. These moments have been crowded with changes and experiments in "Rural Church Activity," that constitute what we should like to call the happiest and most successful years of our Ministry. Last year we made a plea in this foreword for enthusiastic volunteer effort, greater zeal in Evangelism, looking forward to new possibilities, getting rid of smallness, welcoming our Servicemen and building up funds for future development. These were ideals toward which we tried to strive. We didn't achieve all of these goals 100% but we made great strides forward.

(a) In Evangelism, St. Daniel's shows a gain of 53 accessions and Trinity 29 for the year. Twenty-seven children were consecrated to God by the rite of Baptism and 25 young couples were united in marriage. These figures as over against only 17 funerals during this same period, show a tremendous net gain for the year. Our congregations are awake to their possibilities for expansion.

(b) In volunteer effort we have done very well. In all our projects we have had plenty of help and in some instances outsiders have marvelled at the size and smoothness of our organizations to accomplish certain given ends. When we sacrifice our desire for personal glory and convenience and pool our interests for the common good, we can continue as we have in the past to achieve meritorious results.

(c) Both congregations are gradually adding either to their invested funds or putting money into buildings that add to their financial stability. Let us look well to the future and continue to build these financial resources because first class educational facilities will cost a bit of money when the proper time comes to build them.

(d) There is a growing feeling on the part of both congregations that we want to improve the appearance of our properties within and without and that is a healthy sign. God's House and the surrounding property should be made as beautiful as possible.

And now a word about stopping. If we suddenly stopped doing what we have started, all the gains of the past would be lost. But if we use our successes and even our failures as stepping stones to go still farther toward our goal, we believe God will be pleased with our humble efforts.

We could have stopped progress by refusing to move ahead during these days of high prices, but that would have meant losing the ground already gained, so we continued to improve our physical plants at somewhat abnormally high costs. But with our volunteer effort and fine cooperative spirit we held these costs to a minimum and we need not now be ashamed of our equipment.

Nor do we propose to stop in 1947. The momentum we have gained must at all costs be maintained and if possible the whole program accelerated as the day of high prices approaches. We look forward, under God's guidance, for a glorious 1947.

RURAL EXPERIMENT

We were chosen by the Synod as the field for an interesting experiment. Seminary students have always received their clinical training in the larger city churches of Philadelphia. This year it was thought wise to choose two outstanding rural parishes of the Synod and use them as training ground for prospective rural work. Mr. Alton Hoffman was our Student associate for the entire fall season and he did a good work among us. He read services, made hospital visits, taught in our Sunday Schools, preached and held for us a very fine Leadership Training Course in the Epistles of Paul.

ROTATION IN OFFICE

Both Churches are controlled by a principle which is known as "Rotation in Office." This means that a man shall not succeed himself in office when he is elected to the office of Church Council. This principle goes on the assumption that there are many men of equal judgment and ability in our congregations and that the honors should be equally distributed in as many families as possible so that more men may learn to know the needs and the business of the Kingdom.

In St. Daniel's we go a step farther by changing Sunday School teachers each year so that the greatest number of people may have the joy of service in the educational field and that people shall not be submitted to the monotony of one voice too long. The pastor has made it his business to introduce as many guest speakers as possible so that the interest of the congregation might not lag.

AUDIO VISUAL EDUCATION

Here is the coming field in religious training of our people both young and old. We want to keep our eyes open so that when good projectors and films are available, we will be ready to be in the forefront of this movement. Our churches are arranged so that we can rather easily make the adaptation and we want to be prepared for it.

MINUTES OF JANUARY, 1947

PARISH MEETING

Robesonia, Pa.

January 13, 1947

The annual meeting of the Robesonia Lutheran Parish was called to order by its President, Rev. E. L. Leisey, at St. Daniel's Church. Scripture reading and prayer were conducted by the pastor.

The minutes of the previous meeting were approved as printed in the parish record of 1946.

The treasurer reported receipts of \$807.46 and expenses of \$733.42, leaving a balance of \$74.04 as of January, 1947. This report was accepted and approved as presented by Herbert Weidman, Treasurer.

Election of officers for 1947 was held and the following officers were elected: President, E. L. Leisey; Vice President, Robert Koch; Secretary, Warren Davis; Treasurer, Clarence Sprecher.

Reports from the property committee were heard and accepted with reference to some improvements that could not be made due to lack of material.

The anniversary committee reported a successful service and a new committee of four members was appointed by common consent to arrange for a service in 1947 and report their plans to a special council meeting in the early spring. The committee: LeRoy Werner, chairman; Howard Koch, Gilbert Keppley, and E. Lincoln Murdough.

The question of expenses of the parish other than the pastor's salary was discussed in regard to the apportionment. A motion by J. Samuel Brown and seconded by E. Lincoln Murdough was unanimously approved which reads as follows: "The expenses of the parish other than the pastor's salary shall be paid in the ratio of two to one (2 to 1) with St. Daniel's bearing the larger amount. A committee of the treasurers of both churches and the parish treasurer was appointed to fix the budget and transfer the amounts from the individual churches to the parish treasurer for operating expenses during 1947.

The "Pastors' Pension Plan" of the United Lutheran Church was explained by Pastor Leisey and discussed by the members. A motion by E. Lincoln Murdough and seconded by Guy Sheeler was unanimously approved. The motion read as follows: The Parish Council approves the plan of the United Lutheran Church's pension plan for pastors, and, that we agree to pay the full 8% of the salary so long as this administration is in force. The ratio of payment shall be the same as for the pastor's salary.

The auditing committee composed of Harvey Long and John Spayd were instructed to perform their duties before the new officers took charge.

Since there were no volunteers for delegates to the Reading Conference and the Synodical Conference, Pastor Leisey was instructed to act as he saw fit when the time for action approaches.

The property committee for 1947 was appointed as follows: Carl Labe, chairman, Clayton Matthew, Lewis Marderness, and Earnest Frank, Jr.

Thanks for service were extended to retiring council members and new members were formally accepted and introduced.

Pastor and Mrs. Leisey served as host and hostess to the men and their wives with refreshments and recreation.

Council members attending as follows: Rev. E. L. Leisey, Harvey Long, John Benne-
thum, Herbert Weidman, Warren Davis, John Spayd, Carl Labe, E. Lincoln Murdough,
John Bricker, Lewis Marderness, Clarence Sprecher, Lloyd Minnich, Guy Sheeler, Clayton
Matthew, J. Samuel Brown, Richard Eckert, Gilbert Keppley, Elias Manbeck, LeRoy
Werner, Howard Koch, Robert Koch, Earnest Frank, Jr., George Fischer, Adam Spohn, Jr.

Respectfully submitted,

ST. DANIEL'S EDUCATIONAL AGENCY

Throughout the entire year of 1946, we, the religious education department of St. Daniel's Evangelical Lutheran Church, realized to the fullest extent that for the first time in our existence we were laboring in the most critical year in which moral and ethical ideals were breaking down. We were facing new and difficult problems, indifference to spiritual things was increasing, much that is worldly and sinful was and still is clamoring for the attention of young people.

Knowing the necessity to make the school more attractive and more efficient, and realizing the heavy burden resting upon us we continually, throughout the year have done our best in securing the best teachers and associates available. This proved itself when in September two classes presented a written petition to retain their former teachers which were signed by almost 100 per cent of the members of the classes. This for the first time in our history meant that both teacher and pupil were interested in the work and Christian results were accomplished.

The varied and world wide knowledge brought to us by our boys and girls who returned to us from the armed forces of our Country has opened our eyes to the enormous field into which our Lord has assigned us. We have also tried to help these boys find their rightful place among us again and have asked them to aid us in our work.

The year 1946 has taught us that God is needed more in peace than in war. Without Him, peace will fail, social evils of our day will not be defeated and we personally could not live. We therefor wish to prove our gratitude for past blessings by unflinching loyalty to Him and His Cause today. To accomplish this we humbly seek his continued guidance to strengthen us in our faith in Him. Realizing that the work of the school is primarily spiritual and that its great aim is to win the pupils to Christ, we know that our life work is to win all pupils and all others to a life of Christian Service.

The following are but a few of the important statistics of our labors. Enrollment 308, Record attendance in main school 170, Primary Department 111, Average attendance 226. Percentage of attendance: Main Department 70%, Primary Department 74.7%. The most outstanding service of the year was October 13, Rally Day, when every teacher made himself responsible to secure a guest teacher for their class and gave the pupils the opportunity to have an address adaptable to their particular interests. This proved to be far better than the ancient idea of Rally Day when a speaker was secured to address the entire school. These records again prove that the necessity for a new building, is nearing the point where the dream must become a reality, probably a year or two, in order to fulfill our master's demand to carry on the work to which he has assigned us.

Our Treasurer reports:

Financially we spent about \$500.00 on improvements to our buildings. We gave a gift of \$600.00 to the Church towards our Memorial Amphitheatre.

ST. DANIEL'S RECREATION ASSOCIATION**Officers**

President - Carl B. Himmelberger
 Oscar Yarnall - Vice President
 Ralph J. Noecker - Secretary-Treasurer
 St. Daniel's Recreation Association is now in its third year. Membership is nearly 100 and the winter meetings held each Friday evening have been better attended than ever. The weekly gatherings represent a good cross-section of St. Daniel's Church-goers. Church Council members, Sunday School officers and teachers and just plain honest to goodness St. Daniel's folk find good fellowship exists when they gather for an evening of recreation.

Future plans call for continuation of good, clean, wholesome fun for all and a Christian fellowship that will culminate in a deeper spirit of harmony and cooperation among our Church and Sunday School members. We are also planning improvements in property which will be of service to everybody.

It is the hope of St. Daniel's Recreation Association that even more will take advantage of what we can offer in the coming year. Other churches have followed our example and we must keep going forward.
